

Lili is speaking at National Conference Event in Atlanta

A Conference About Women For All Advisors

Pumping Up Your Niche

Many people say successful advisors in the future will *have* to have niche practices. Hear about the interesting client groups that these advisors service, and how that focus jump started their business.

Moderator:

[Kimberly Foss](#), Emprion Wealth Management

Speakers:

[Stacy Miller](#), Bright Investments

[Lili Vasileff](#), Divorce and Money Matters LLC, Association of Divorce Financial Planners

and

Effect Of Divorce On Social Security And Medical Expenses

CE Credits Pending

Divorce can dramatically affect a woman's Social Security and medical expenses. Learn key considerations you should review with clients regarding Social Security entitlements and withdrawal strategies that will affect their standard of living. Also, hear how some couples facing serious illness are getting "medical divorces," what that means and why they are making that choice.
